I. David called the meeting to order at 8:06am.

II. Roll Call: Those in attendance included David Bezayiff, Stewart Hathaway, David Hensley, Patrick Chan, Vira Lozano, Brett Davis, and Miles Vega. Tim Brown was introduced as the new senator representing CTE.

III. The agenda was approved as presented. (M-S-P, Vega/Chan).

IV. The minutes of the April 15th meeting were approved as corrected.

V. Reports:

   A. Plaques will be ready for Commencement to honor the Scholar of the Year recipient(s). This year there will be two, each receiving $500.00.

   B. Mr. Vega reported that Doris Givens is no longer with the KCCD, having acknowledged that Curricunet is not working. This has put all of our curriculum revisions for the 2010-11 year “on-hold.”

   C. Dr. Bezayiff reported that SLO’s, at present, are not to be a part of faculty evaluations. The Senate presidents at the other two colleges in our district serve 2-year terms, so our senate’s by-laws will be reviewed during the coming summer by an ad-hoc committee and a recommendation will be forthcoming.

VI. Old Business:

   A. Dr. Joel Wiens has been elected President-elect for the coming academic year.

VII. New Business:

   A. Dr. Hathaway was installed as the new Senate President.

   B. Scholar of the Year/Medals of Distinction: Procedures for Divisions were presented.

   C. Faculty Evaluation procedures and materials will be discussed early in the fall pending final CCA/KCCD agreements.

   D. August Flex Days will be in concert with the accreditation committee, noting our upcoming visit from WASC.

VIII. Adjourn – 9:00am.

Respectfully Submitted,

David Hensley, Secretary/Treasurer
