

## **Porterville College Student Right To Know 2008 Cohort**

In compliance with the Student-Right-to-Know and Campus Security Act of 1990(Public Law 101-542), it is the policy of our college to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2008, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2008 to Spring 2011. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2009 to Spring 2011, are transfer students.

The table below compares PC's Completion and Transfer Rates to the statewide community college average.

<b>2008 SRTK Cohort</b>	<b>Completion Rate</b>	<b>Transfer Rate</b>
<b>Statewide</b>	24.64%	13.87%
<b>Porterville College</b>	18.16%	10.14%

These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.
